### Competition Chair

Ruben Vera, Universidad Autónoma de Madrid, Spain  
Shuowen Hu, US Army Research Lab, USA

### Finance Chair

Ajay Kumar, The Hong Kong Polytechnic University, Hong Kong

### Website Chair

Vishwanath Sindagi, Rutgers Univ.

## About ICB 2019

- The 12<sup>th</sup> IAPR International Conference on Biometrics (ICB 2019), sponsored by IAPR (Technical Committee on Biometrics – TC4, International Association for Pattern Recognition), is the premier forum for the presentation of new advances and research results in the fields of biometrics.
- ICB, formed in 2006 by merging AVBPA (Audio- and Video-based Person Authentication), ICBA (International Conference on Biometric Authentication) and other biometric workshops, has established itself as a leading international conference in biometrics.
- The conference will have a broad scope and invites papers that advance biometric technologies, sensor design, feature extraction and matching algorithms, analysis of security and privacy, and evaluation of social impact of biometrics technology. Topics of interest include all areas of current Biometrics research and applications.

## Call for Contributions

ICB 2019 solicits submissions of contributions for the following topics, including but not limited to:

- Face, Iris, Fingerprint and Ear
- Periocular
- Palm prints
- Multi-Modal and Multi-Spectral Biometrics
- Mobile-based biometrics
- Template protection
- Gait and gesture
- Soft biometrics (including marks, scars and tattoos)
- Template design, selection and update
- Finance-related applications
- Database, protocol and benchmarking
- Large scale ID
- Anti-spoofing
- Law enforcement and forensic applications
- Security applications
- Biometrics in healthcare and societal applications
- Performance modelling and prediction
- Ethical, social and legal issues

## Location

The 12<sup>th</sup> IAPR International Conference on Biometrics (ICB 2019) will be held from June 4<sup>th</sup> to June 7<sup>th</sup>, 2019 in Crete, GREECE.

Crete is known for its breathtaking and diverse landscape. It combines mountainous terrains with long sandy beaches and deep blue seas. It is a land of unique cultural and historical importance.

## Venue

The ICB 2019 Conference will be held at Aldemar Knossos Royal, Hersonissos, Crete, Greece.

Bathed in sunlight, calmed by the gentle waves of the Aegean Sea —and within easy reach of a spectacular beach— rests the idyllic and stylish Knossos Royal Beach Resort. Minoan-style architecture combined with recently refurbished rooms, gleaming swimming pools and lush gardens

Guests will enjoy the convenient location for work and play. The hotel's location offers also swimming pools and sporting facilities and allows easy accessibility to various area attractions, including ancient monuments of significant historical value and beaches of natural beauty.
